A PLACE TO GROW

Crib Notes

Spring 2015

Issue Number 118

Dear Friends,

Happy New Year and what a great first year it has proven to be in my role as Executive Director! At Angels' Place we are celebrating all of your support and generosity in contributing to our 30th Anniversary Pledge. Thanks to all of your kind donations we have surpassed our halfway mark and have achieved almost 70% of our goal to reach \$30,000. You will be the first to know when we achieve our target, and when we do, know that you will hold a special place in our thoughts and prayers for the important role that you played in our success.

The general direction for most folks in the new year is to inventory their lives and determine accomplishments, reflecting on what is still left to be realized. Everyone appreciates the hopefulness that results from being part of an effort to "change the world" and contribute towards the greater good.

Here at Angels' Place we share the same aspirations as you. We strive towards fulfilling our mission, strengthening the families that participate in our program and continuing to impact our communities. We have learned firsthand that creating a nurturing, supportive and caring environment leads to the positive development of both children and adults.

One of our parents recently told me that "Angels' Place has allowed me to focus on my education while becoming a better parent." She is graduating in the spring and going on to pursue her Master's Degree. Her child embraces and enjoys learning and is school ready! This is the type of testimony that we see in our work daily and it is encouraging and reinforces our efforts.

Realizing and achieving our ambitions takes motivation, dedication and an inspirational belief in the infinite opportunities that occur when we present people with hope and possibilities. The option for all of us to work towards a greater good ensures that we are leaving the world a better place.

With this thought we go forward and do work that is greatly needed. Enlisting the help of all of our faithful friends and recruiting new friends keeps our mission alive and strong. Thank you for embarking on this journey with us and your vibrant presence in our organization's work. Our goals could never be reached without your constant attention and enthusiasm. Blessings for a continued new year filled with health and happiness.

Your Faithful Partner,

Beth E. Banas
Executive Director

Honor Roll 2014

This issue of Crib Notes is dedicated to recognizing the friends who kindly donated to support our three centers in 2014. This installment is our way of proclaiming our sincere and heartfelt appreciation to the generous people who make Angels' Place a reality. It means a great deal to us that you help our children and their student parents complete their education and achieve their life's goals. Each gift you share throughout the year is a message of encouragement to the families enrolled, and we hope you feel blessed by the impact of your contribution.

Volunteer Spotlight: Shannon Evans

Shannon and her friends have a late night gift wrapping party. Left to right: Savannah Porter, Shannon Evans, Abigail Evans, Kevin Gordon, Devon Klaas, Sabrina Palmieri, Molly Evans, Madeline Evans, and (behind) Kyle Swartzbaugh. Not Pictured: Allianna Schneider & Kiersten Kerr.

This past Christmas marked the 10th year Shannon Evans has donated gifts for the children being served at Angels' Place. It all started when Shannon was in 5th grade, and she asked her grandmother Nan Evans, a volunteer at Angels' Place at the time, if she knew of a place she could donate toys to children at Christmas. Nan suggested Angels' Place. Shannon said she wanted to "continue the magic" and saved her birthday money that allowed her to purchase gifts for the children at the North Side Center.

In 7th through 9th grade Shannon started organizing and holding toy drives at her school's dances and the toys collected benefited all three of Angels' Place centers.

Now Shannon saves her money all year round so that she is able to purchase Christmas gifts for all three centers.

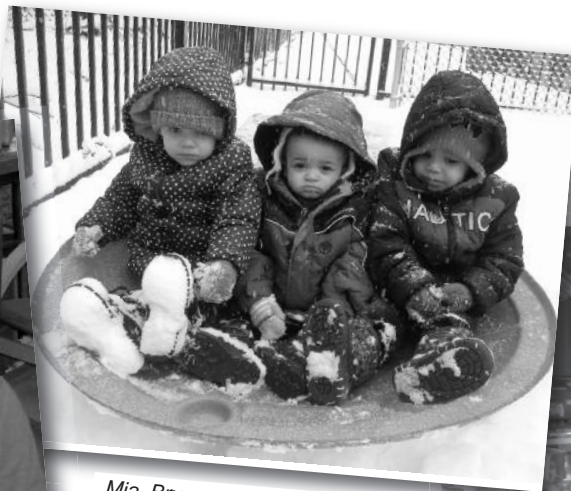

Shannon stated that even though she spearheads the efforts, it wouldn't have been possible without the help of her family. Her parents, Paul and Julie help to take her shopping and transport the gifts to the centers. Shannon's three sisters; Molly, Madeline, and Abigail also help her. In addition to her family helping out, she now rallies her friends to have a late night wrap session, sometimes lasting until two in the morning, her grandmother Nan provides the pizza!

When we asked Shannon what she liked best about Angels' Place she said "Angels' Place supports deserving parents in overcoming challenges with encouragement, support and assistance so that they are able to work toward their independence."

Thank you to Shannon, her family and friends for their continued support of Angels' Place during the holiday season.
